

## MVPA Fundraising Information:

All fundraising proceeds will be made payable to Mid Valley Parent Association or MVPA. Fundraising through this association is limited to players of Mid Valley Volleyball Club for the current season only.

All money raised to contribute towards your club season must be utilized for club related costs only. Funds may be transferred for monthly expenses directly to Mid Valley Volleyball Club, simply by emailing MVPA with the request. If club dues are paid in full, funds may be utilized to reimburse hotel, travel expenses or clothing purchased from No Dinx. Funds may not be utilized for expenses not related to Mid Valley Volleyball. If for any reason you leave the program mid-season, all funds will be forfeited. If you are not returning after the current season, any unused account balances will be forfeited. If you participate in preseason fundraising opportunities and opt not to join a team, funds will also be forfeited.

### Account Information:

Each individual player will have their own team account that will be tracked by the MVPA treasurer. After each fundraising event, the chairperson should email out each individual amounts raised to anyone who participated. Account statements will be available at anytime through email request.

### Fundraising:

All fundraising will begin with detailed information regarding the dollars available per fundraiser. It is the responsibility of each participant to collect all funds due. Individual funds will not be posted into an individual's account until funds have been transferred into the MVPA account. All players' names should be written in the memo section of the check to ensure proper credit to their fundraising account. Account statements will be available, upon request, approximately 5-7 business days after each fundraiser has ended. This allows ample time for funds to be established as received before crediting each participant's account and for accounting to be accurately transferred to each participant's account.

### Disbursement of funds:

Forms will be available at No Dinx , via email request and on Mid Valley's website to utilize in the disbursements of your funds. Funds will be disbursed on the 10<sup>th</sup> and 25<sup>th</sup> of the month. Please allow for 10-15 days for your request to be processed. I.E. If you are utilizing funds for a payment due to Mid Valley Volleyball on the first of the month, your request needs to be submitted by the 15<sup>th</sup> to make the 25<sup>th</sup> check disbursements. All disbursements for non-dues requests, must be accompanied by a receipt showing the amount paid. At no time may a disbursement be made to an individual without supporting documentation directly related to an expense for Mid Valley. Any NSF checks will be deducted from the related players account.

\*\*\*All MVPA board members are strictly volunteers who are giving freely of their time. Their goal is to help provide your child with events that can contribute towards the expense of joining an elite club team and to help promote club unity and spirit throughout the season. Any help is welcome and encouraged.
